ACE AMUSEMENT

COMPANY PROFILE

ACE Amusement focuses on mid-to-high-end amusement machine equipment. It is a large-scale amusement equipment enterprise integrating R&D, production, sales and after-sales services. Ace products cover a wide range of fields, including FECs, sports and trendy play venues, video game and animation arcades, children's playgrounds, etc. The main product lines include video game, carnival ticket redemption machines, prize machines and other amusement equipment.

Independent innovation has always been the core development direction adhered to by ACE Amusement. The company upholds the tenet of "Being Serious and Rigorous, Striving for Excellence, and Serving with Sincerity". Ace products are sold worldwide, reaching dozens of countries in Europe, America, the Middle East, Southeast Asia and other regions, and have won wide acclaim from customers.

ACE Amusement is committed to promoting the amusement culture and creating healthy and joyful products!
